

Allocation of conservation capital

Interest Group	Water quality	Scenic beauty	Weed control	Native prairie	Soil Conservation	Agriculture production	Fire & Forest mgt	Parks & Rec	Exurban development	Education & Outreach
County officials										
Cons. Groups										
Moscow residents										
Rural residents										
County business										
Agricultural interests										
Outdoor recreation										
Total										

Note: Some individuals within a group may have different interests. For example, there may be a difference between Moscow residents and county residents with respect to the priority of Fire & Forest Management and the availability of County Parks & Recreation. Or within the agricultural sector, some may be more interested in county development and others primarily in agricultural production.
